

Sofia del Sante, Head of Innovation Prochile Tech Ecosystems Around The World: COVID-19 Strategies Implemented to Support Entrepreneurs

Sofía Del Sante is the Head of Innovation at ProChile, Chilean Trade & Promotion Agency, where she supports the global growth of local startups & scaleups. In the past, she worked as an Innovation consultant at EY & Accenture, supporting and promoting open innovation within large corporations. Before joining Accenture, Sofía was the Chief Strategy Officer at Start-Up Chile, a public accelerator created by the Chilean Government for high-potential entrepreneurs to bootstrap their startups using Chile as a platform.*
