

# LatAm Startups Covid-19 Protocol

At LatAm Startups we care about your health and safety. Under covid-19 we have taken the necessary measures to help you feel safe in case you have to visit our workplace.

*Please read the following recommendations:*

As mandated by Toronto Public Health and government agencies, and with intention of safeguarding the health and safety of everyone, LatAm Startups is recommending the following:

1. If you're planning to visit our space, please communicate in advance with Perla Campos, Community Manager at LatAm Startup ([community@LatAmStartups.org](mailto:community@LatAmStartups.org)) to organize your visit.
2. In order to access to the office, you will require the following:
  - Use a mask at the common areas of the building and elevator
  - One of the LatAm Startups team members will give you access to the elevator (an access card is required to reach the third floor)
  - Once you are at the office it's mandatory for all visitors to register at the reception desk

As a general rule **masks are required in common areas** as:

- Kitchen
- Reception
- Meeting rooms where:
  - capacity exceeds the limits posted*
  - physical distancing is not maintained*
- Masks are not required when eating/drinking
- Masks are not required at your desk
- Exemptions to mask requirements exist

Big meeting rooms have been adapted to have a maximum of 10 people with a 2-meter distance between each individual.

Please *do not visit* our office if:

- You're sick
- You have been in contact with a person with COVID-19 in the last 14 days
- You're developing symptoms of COVID-19
- You have been out of the country in the last 14 days
- You are part of the high-risk group or in a vulnerable health situation at the moment

LatAm Startups will always provide an option to connect online, in case in-person meetings are not possible.

*Thank you for following these recommendations, our priority is to keep you safe.*
