Digital Dining Experience

We Tune up restaurants & cafes to increase their profit margin

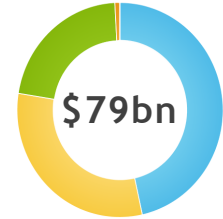

Competitors	How our solution is better
Square	Square is retails POS and covers all industries, MenuMiz is Exclusively designed for foodservices
Lightspeed	Lightspeed relies on specific hardware but MenuMiz has no Hardware Dependency
Toast POS	Toast is complex, MenuMiz is Simple and dynamic
TouchBistro	TouchBistro offers a basic service and then charges for add ons, MenuMiz doesn't have hidden fees and offers all in one solution

Marketing channels:

Digital marketing (Capterra) LinkedIn, Instagram & FB Promoters

Sales channels:

Online sales
Bundle service with Third party (Foodservice suppliers). For example a coffee machine supplier could promote MenuMiz by offering 3 months free MenuMiz system along with the coffee machine.

Canada market size

- Restaurant
- Cafés
- Pubs & Clubs
- Hotels

MenuMiz™ is a restaurant management and EPOS system (SaaS) on cloud that harnesses the power of mobiles to speed up restaurant services, from digital menu, taking self-service orders, sending kitchen instructions to accepting payments and more.
