

Felipe Matos VP at ABStartups (Brazil)

Felipe Matos is a reference in tech startups and entrepreneurship in Latin America. He has supported more than 10 thousand startups and attracted over U\$ 400 million in VC investments in the region. Founder and CIO at Sirius Education, the first neouniversity in LATAM that teaches technology through real projects in partnership with corporations. Matos is also Vice President at the Brazilian Startups Association, the largest entity of its kind in Latam. He additionally serves as VP at Dínamo Association, a Think Tank that advocates for better public policies for tech entrepreneurship. He was also head of the Startup Brazil program, the official public policy for startups in the country.

Serial entrepreneur, Matos was founder at Startup Farm accelerator - the first of its kind in Latin America, and co-founder at Inseed Investments, Criatec seed fund, Inventta Innovation Consulting Firm, among others. He holds a master in Entrepreneurship at University of Sao Paulo, is author of the book “10 Thousand Startups”, and expert columnist at Estadao media group.
