

## **Priya Guliani** **CEO at EarthID (India)**

Priya Guliani is the CEO at EarthID, a multi-award-winning decentralized identity platform. She is also the EMEA (Europe, Middle East and Africa) director at Government Blockchain Association, facilitating efficient, ethical & rational adoption of blockchain technology.

Priya has over 14 years of experience in technology consulting and has been instrumental in leading strategic initiatives for multi-national enterprises. She is an author in innovative technology and sustainability space. She co-authored 'Impact of Women's Empowerment on SDGs in the Digital Era' where she shares her thoughts on Digital Identity - crucial for social and financial inclusion, especially for women and minorities. She is an international speaker and has also addressed the representatives of the government and public at the UK Parliament.

She is a mentor with Startup Chile, Women in Tech and technology faculty at European Women on Boards.

She has been awarded the 'Women in Leadership' award 2022 by GCPIT and 'Exceptional Women of Excellence' by WEF.
